Submitting a Paint Application

1. Know

- Paint applications containing colors from the color scheme book can commonly be approved the same day they are received in our office.
 - The application process takes approximately 3 weeks in general, however our policy allows up to 6 weeks for the review process to be completed.
 - For your convenience the Architectural Review Committee (ARC) meets twice per month to review applications, typically on the first and third Wednesday of each month at 7am at the ABM office.
 - You will be notified by email with the date of the committee meeting when your application will be reviewed so that you may attend if you like.
 - Application volume is higher in the fall and spring. Applications submitted in the summer normally have shorter processing times.
 - Our office has a color scheme book available for viewing or home check out, as well as take-home paint chip samples. A \$50 refundable deposit is required to check out the book.
 - You may also visit Dunn-Edwards website to view our color schemes:
https://www.dunnedwards.com/colors/archive/color-ark_pro/ahwatukee-board-of-management/2016-color-palette
-

2. Learn

- You may use any brand of exterior paint you choose. All paint must be flat or satin finish.
 - Even if you intend to paint your house the same color, you must submit a paint application and paint samples, and obtain written approval, prior to painting.
 - Paint chip samples are required for all paint colors on the home, not just for the color(s) you are applying for. If you do not have paint samples of existing colors, a color photo is acceptable.
 - Color trends change periodically. Consider a new color to give your home a fresh look.
 - You may peruse your neighborhood for homes with paint schemes that appeal to you. Should you find one you like, simply give us the address and, if we have the information on file, we will provide you the specific paint colors used.
-

3. Go!

- You are welcome and encouraged to attend the ARC meeting when your application is discussed to ask or answer questions that may arise.
- The decision of your application will be emailed to you within 3 to 5 days of the committee meeting. No verbal approvals will be given.
- For more information please read the Procedures and Guidelines of the Architectural Review Committee, which can be found on our website: www.ahwatukeehoa.com

Please contact us at 480-893-3502 if you have any questions. We're happy to help!
